**Basingstoke Baptist Church**  
Gershwin Road, Basingstoke  
10.00am - 3.30pm

An event for those 50+ years to explore ways  
to use God-given gifts and God-given time in  
Christian Service

---

releasing God's people into God's work

**christianvocations**

**GOALS in extra time** is a programme designed to encourage and stimulate the rich potential of members of the church. The day conference seeks to present and illustrate exciting ways we can use our skills, experience and maturity, at home and overseas.

We recognise that many who are perhaps over 50 still have so much potential that can be released into God's service today. When extra workers are needed in the building of God's kingdom we believe those in maturing years could make a valuable contribution, both locally and globally. This conference is a step towards that.

**outline programme:**

- 10.00am Registration, coffee and exhibition
- 10.30am Welcome and worship
- 11.00am Scoring GOALS - setting the scene
- 11.30am Cameo insights  
*testimonies of people who have stepped out and scored GOALS*
- 12.00pm Focus Groups - ideas, examples, testimonies - UK and worldwide
- 1.00pm Lunch & exhibition
- 2.00pm Focus Groups - ideas, examples, testimonies - UK and worldwide
- 2.45pm Where do we go from here?
- 3.15pm Questions & Answers
- 3.30pm Tea and exhibition
- 4.00pm Finish

There are opportunities for people from all walks of life and experience. We want to encourage Christians, whatever their profession may be or may have been, to see how they could offer these skills back to God in new ways.

There will be people from various organisations who can tell you about how you could be used in service. Time will be given to meet and talk with them.

**The cost:** £8.50 (£15 per married couple) ... including a light lunch & refreshments.

To help with preparation for catering, **please** register in advance.

Where requested, and if time permits, there will be opportunity to meet and talk personally with an advisor during the day.
